Mr. Whitenack,

I have scoured our files and have not been able to identify any information related to the Yosemite Creek site. We have requested all such information from General Motors LLC, which generally holds all documents related to the former General Motors Corporation, and they produced no relevant documents. We have no relevant documents in our own files. As you might know, all General Motors Corporation personnel went to work for what is now known as General Motors LLC when substantially all of the operating assets of General Motors Corporation were sold to General Motors LLC in July 2009. General Motors Corporation, now known as Motors Liquidation Company (MLC) is staffed only by professional restructuring advisors who did not work for MLC prior to the bankruptcy. As such, no current employees of MLC have any knowledge regarding historic operations. Since General Motors LLC has advised me that they have provided all documents that might be relevant to your request, I assume that General Motors LLC does not have any additional responsive documents; however, General Motors LLC personnel might have knowledge of historic operations that might be responsive to your request. Please let me know if you have any questions or concerns.

**Re: October 15, 2009 Request for Information Pursuant to Section 104(e) of CERCLA for
Yosemite Creek Superfund Site, San Francisco, CA
Liable Company Name: General Motors Corporation
Generator Name: General Motors Corporation**

Gentlemen,

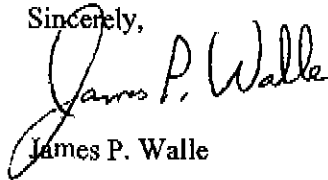

This letter acknowledges receipt of your October 15, 2009 information request to Frederick Henderson and Cassandra Weaver concerning the above-referenced matter. On June 1, 2009, General Motors Corporation (now known as Motors Liquidation Company ("MLC")) filed a voluntary petition for relief under Chapter 11 of the Bankruptcy Code in the United States Bankruptcy Court, Southern District of New York. On July 5, 2009, an order was entered approving the sale of certain MLC assets to a U.S. Treasury sponsored entity under Section 363 of the Bankruptcy Code. The sale of certain MLC assets to a new company, now known as General Motors LLC ("GM"), closed on July 10, 2009. Mr. Henderson and Ms. Weaver no longer work for MLC but instead are employed by GM. Your October 15 letter has been forwarded to MLC and its counsel, Weil, Gotshal & Manges, LLP, for handling. As a result of the Section 363 sale, GM has no CERCLA liability for the purchased assets of MLC. Please direct your future correspondence to MLC at the following addresses:
